LCC Coalville Library : Médiathèque Simone-de-Beauvoir

Coalville Library has devoted a corner to books provided by the Médiathèque library in Coalville's Twin Town.

The Médiathèque Simone-de-Beauvoir in Romans has donated surplus books to Coalville Library which can be borrowed by local people. Coalville Library has also provided books for the Médiathèque in Romans.

The idea was put forward by Coalville & District Town Twinning Association as a way of developing further links and contacts between local people, groups and organizations in Coalville and Romans.
